Tue, May 27, 2025 at 2:56 PM

Hi there,

Thank you for contacting the Faculty of Graduate Studies at York University! We are happy to provide you with guidance toward your interest in pursuing the Graduate Admissions process. Please note, all of our Master programs are a length of two years, PhD requires a master's degree to be completed prior to applying and requires a four-year undergraduate honours degree with a minimum GPA of B+ to be considered eligible to apply. Unfortunately, we do not offer application waiver fees for our graduate programs.

We do not pre assess applications or GPA prior to applying to our graduate programs. Typically, we use the last two full years of study (or equivalent) of an honours degree. If someone has taken additional courses after completing their honours degree, we would take those studies into account providing they are at the same level as the previous studies, ie. bachelor level. Regarding flexibility, each program abides by each of their admission criteria and we encourage students to obtain the GPA requirement needed for admission. If you have not met the GPA requirement, we encourage you to contact the admission office for our undergraduate programs at [study@yorku.ca](mailto:study@yorku.ca) to inquire about upgrading your marks!

Note, your previous course work will not lessen your program requirements if admitted and they cannot be transferred over to a master's program. Note, if the program of your interest deadline has passed, and we encourage you to apply for our following intake session reopening October 2025. You may review the following details below for future guidance. To gain further knowledge on how to strengthen your application, course structure, potential breaks between your studies and inquire about potential bridging programs, please contact the program directly.

-

[Program Contacts | Faculty of Graduate Studies \(FGS\) | York University](#)

For ESL, kindly contact their program directly for further assistance:

[ESL Open Learning Centre | York University](#)

For all English test scores, they are required if your previous institution language was not in ONLY English. We do not pre assess applications and once you apply, you will receive access to myfile where you will be able to access all requirements needed to be submitted to fulfil your application file. You may also explore our English Language Institute (YUELI).

[English Language Programs in Canada | York University](#)

Minimum scores required can be found here: <https://futurestudents.yorku.ca/graduate/programs>.

There is no advantage to applying earlier than other applicants and we require a minimum of 3 references submitted!

All Work/Study Permit inquiries can be directed to York International. We encourage you to contact them directly through email at [iadvisor@yorku.ca](mailto:iadvisor@yorku.ca). We do not accept transfer students as all students are required to apply to each of our programs directly. We also advise all students connect with their department regarding supervision and potential TA ships.

For housing services and work options please see below:

Your first step is to review all admission and application requirements for your program of study. Please view our programs offered below:

<https://futurestudents.yorku.ca/graduate/programs>

If you are applying from another country, please view the link below for further information regarding requirements and its potential conversion:

<https://futurestudents.yorku.ca/graduate/equivalency>

Once you have decided on a program of your interest, you are ready to proceed with the application process! Below are the steps you'll need to follow to submit a complete application:

The graduate admissions process at York takes place in two steps: first you will need to fill out the initial application form and make the required payment, and then the second (separate) step is document submission. Only the initial application form needs to be completed by the application deadline. Supporting documentation can be submitted after the application deadline. First, you need to fill out the initial application form. This form consists of seven short pages, and asks about things like your name, address, previous schooling, etc. Please use your full legal name when filling it out. The application will time out after 30 minutes – remember, you are not submitting any documents at this time. After submitting your application form, you will need to make a non-refundable payment of \$140 CDN using Visa, Visa Debit, or Mastercard. If you are interested in multiple programs, you will need to apply separately for each individual program.

In approximately 3-5 business days, you will receive an email from York with instructions on how to access your MyFile account. On your MyFile account you can access application details, see a list of documents you must submit to complete your application, and submit most supporting documentation.

As a graduate student, your course fees are structured based on your cohort year, the designation of your [program](#) as professional or regular, whether you are pursuing [full-time or part-time](#) studies, and qualify for [domestic funding](#). Your cohort fees can change in circumstances such as the following:

- You do not complete a course in the academic year during which you are admitted to your program. Your fees cohort will change if you are readmitted or allowed to defer your admission to the following year.
- You do not complete at least one course over a total of two consecutive academic years- that is, any four or more consecutive summer and fall/winter sessions-and therefore need to [reactivate](#) your academic record.
- You complete your program and start a new program. This can be for an undergraduate or graduate degree, or for [non-degree](#) studies.
- You change to a [different program](#).
- You change from a regular program to professional program.

For all inquiries regarding funding you may contact the Registrar's Office at [rscheck@yorku.ca](mailto:rscheck@yorku.ca) or call 416-872-9675. For all in-person appointments, they are located on the first floor in the [Bennett Centre](#).

Our [Graduate Funding Advisors](#) in FGS can also be of assistance.

We are happy to provide you with clarity regarding [Financial Aid, Awards and Scholarships](#) offered.

Our course and program fees are linked below:

[Course and Program Fees / FW24 / Faculty of Graduate Studies - Masters | Division of Students | York University](#)

Please note, funding is offered to eligible full-time graduate students in research-based programs to support their graduate career. A student's funding package may consist of one or more of the following [internal and external funding sources](#): [fellowships](#), scholarships and awards, Teaching Assistantships (TA), or Research Assistantships (RA). For further information regarding your personal graduate student funding packages, please contact your Graduate Program Assistant. To schedule a one-on-one appointment with the Graduate Funding Advisor who supports your program, please visit the link below:

[Speak with your Grad Funding Advisor | Graduate Funding | Current Students | Students | Faculty of Graduate Studies \(FGS\) | York University](#)

York has launched a new App that allows students to view all available scholarships, awards, and bursaries, be matched based on information you provide and academic qualifications, track award applications and even allow you to view a summary of your FAAS funding. Please visit the link below for further information and next steps to join the [FAAS App](#):

[Financial Aid, Awards and Scholarships \(FAAS\) Application | Division of Students | York University](#)

If you experience technical difficulties logging in through Passport York or need to report an issue, please contact [AskIT@yorku.ca](mailto:AskIT@yorku.ca). If you have questions about the FAAS App, contact [faas@yorku.ca](mailto:faas@yorku.ca) for support.

Note, if you are interested in an undergraduate program, please email [study@yorku.ca](mailto:study@yorku.ca) for admission process and requirements.

If you have any additional questions about the Graduate process, important dates or need assistance with any of the steps, please don't hesitate to reach out. I am happy to help!

Gabriella Dilorenzo
